

Rules of procedure

Any individual entering the site has taken note of the internal regulations and undertakes to respect them. The site is authorized to expel any person who violates the rules of these rules or who is within the confines of the site without a valid entry ticket. The site disclaims all liability towards individuals who do not respect these basic safety rules because any breach can lead to extremely serious consequences.

The whole team wishes you a pleasant visit and thanks you for coming!

Rule 1 : Visitors can only enter the site if they are in possession of valid entrance tickets and only by using the entrances indicated for this purpose. Entrance tickets must be kept throughout your visit and must be presented on request. People under the influence of alcohol and/or drugs may be refused entry to the park or expelled from their enclosure if necessary. Children under 18 must be accompanied by an adult to access the site. In particular, the leaders of groups of children are responsible for the latter.
Any minor child, any disabled person, any sick individual must be accompanied by an adult and remain under his supervision and responsibility.

Rule 2 : The site is equipped with a video surveillance system. We ask you to behave responsibly and prudently in all circumstances.

Rule 3 : The site is located in a humid tropical zone. As a result, you may be exposed to high heat. We recommend that you stay well hydrated and bring water to cool off along the route.

Rule 4 : It is requested to wear walking shoes (closed, flat and non-slip) and it is mandatory to wear clothes (respecting modesty and in order to protect yourself from sunburn, rain, bites, etc.).
